TDD
Rspec, Capybara, Mocha

Version Control/Deployment
Git, Github, Heroku, Agile Development, Pivotal Tracker

Truths:

- I sang for President Barack Obama at a fundraising event in NYC during the 2012 Presidential Campaign.
- I traveled the country with work for the better part of 5 years, spending weeks and months at a time in every major (and minor) U.S. city. If you need to know the best Coffeehouse or Brewpub in any town, I can point you in the right direction.
- I once almost ran over Bill Cosby on 57th Street. He did not offer me a Pudding Pop in return.
